The Maeser Bath Design Studio is...

Picture your dream bathroom. Maybe you are picturing the beautiful bathroom you visited at a nice hotel, or a bathroom on one of the television home shows you enjoy watching.

Nevertheless, you have started dreaming about the bathroom possibilities you could have in your own home. Maybe you have pictured lighting that can be adjusted for brightness, spacious counter tops, and heated flooring? Imagine a shower with beautiful tile on the walls and floor. You can feel like a new person after showering under numerous sprayers and shower heads in a new luxurious shower.

You do not have to stay at a hotel in order to use a bathroom this beautiful and updated. Maeser can help you remodel and design your own bathroom to be even more amazing than the hotel bathroom you once envied. Maeser has expanded their operation to include a bathroom remodeling showroom that is now open to the public. With help from Maeser, you can create a bathroom oasis in your own home with modern features and amenities that you can choose and customize in our new Bath Design Studio.

Maeser's Bath Design Studio features all of the design elements needed to make your bathroom dream a reality. Our Bath Design Studio features examples of lighting, flooring, tile, shower walls, counter tops, custom-made vanities, fixtures, mirrors and so much more. When you visit our Design Studio, you are able to see and touch the fixtures, tile, vanity cabinets, lighting, and more that will all come together to create an amazing new

bathroom. By visiting our studio, you can truly customize your bath to your needs and style. Whether it is a hall bath, half bath, master suite or a completely new bathroom addition to your home, our Bath Design experts will help guide you through the process of selecting anything and everything you may need or want.

Not only will a brand new bathroom provide an updated feel to your whole home, it will also add resale value when the time comes to sell your home. Both are great reasons, but the best reason is the tranquility and pleasure a beautiful, updated bathroom will give you now. The ability to start your morning in a shower that is inviting, safe and beautiful, is a wonderful way to start your day. Maeser can even transform your bathroom into an aging-in-place bathroom with a larger doorway opening for a wheelchair, a walk-in tub, a comfort-height toilet, a curbless shower and more.

Featured Remodeled Bathroom

Our customer had two bathrooms they needed updated and remodeled. The one we are featuring had an old shower that we gutted. We installed tiles with accent trim that went from floor to ceiling. An oil-rubbed bronze Moen faucet, shower head, shower door handle, toilet paper holder and towel bar were installed. The vanity is a custom-made Vittitow black-cherry stain with black granite counter tops and a beveled mirror. To add to the style of the bathroom, our customers chose a Kohler Memoir square-bottom beveled base.

Visit maeser.com to see the rest of the photos for this beautiful bathroom, plus many others. Call Maeser today to transform your outdated bathroom into a beautiful room you will be proud to show your guests.

QUACKS

Attitude of Gratitude

Congratulations to our **\$500 winners**: Senior Care Experts Animal Care Society, Second Chance Wildlife Center and Building Industry Charitable Foundation. To vote, visit www.maeser.com and click on **Vote for a Charity**.

UGLY Bathroom Contest

Congratulations to Jacob. He received the most votes and won our ugly bathroom contest. Thanks to everyone that took a picture of their ugly bathroom and uploaded it to our web site.

Where Are Your Shut-Off Valves?

Receive 2 FREE Emergency Shut-Off Valve Tags and place them on your valves. Now it's easy to find them in case of an emergency. Just email Ducky at ducky@maeser.com. You will be entered in a drawing for a duck tote bag!

Give us a call for a free estimate. You can use our studio as a tool to begin your bathroom remodeling process. See your Bath Design Studio Grand Opening invitation in this newsletter.

Maeser Bath Design Studio

Ribbon Cutting

Thursday, May 8, 2014 marked an exciting day for Maeser. After months of planning and construction, your friends at Maeser were finally able to celebrate the opening of Maeser's Bath Design Studio with a ribbon-cutting ceremony. Located in the Jeffersontown Industrial Park off of Watterson Trail, our Bath Design Studio sits beside our office on Electron Drive. Maeser has been a member of the Jeffersontown Chamber of Commerce for 24 years.

Members of the Jefferson-town Chamber of Commerce and City of Jeffersontown Mayor, Mayor Bill Dieruff, were present for the ribbon cutting and celebration. Mayor Dieruff and the Council Members of the City of Jeffersontown proclaimed May 4, 2014 to May 11, 2014 to be Maeser Master Services Week and May 8, 2014 to be Maeser Bath Design Studio Day.

A representative from Louisville Mayor Greg Fischer's office also proclaimed May 8, 2014 to be Maeser Bath Design Studio Day in Louisville. Also present for the ribbon cutting were our many vendors and contractors who contributed time and material to our beautiful Bath Design Studio. Maeser is very proud of this new addition which will further improve the services we provide to you, our customers.
